---

Dear Missouri Representatives, on the 5th of this month I met with your Missouri Department of Revenue Director and Attorney, Your Supreme Court Administrative Office, Your Missouri Highway Patrol Administration and AG Chris Koster's office regarding my continued civil rights violations <http://bit.ly/MzQxwS> and the theft of our State Budget outlined in my Prospective Injunctive Relief case filed in Washington D.C. # 1:12-cv-01916-ABJ...

I have ask FBI Director James Comey <http://www.medicalsupplychain.com/pdf/Grand%20Jury%20Demand.pdf> to start a criminal Grand Jury and bring charges against several State Officials including the department and agency officials providing the continued cover up. I have also shared this information with several political action groups that I will be meeting with on my next trip to Jefferson City because many of you will be sitting at home after November if nothing is done about this rampant corruption...

Best regards, S~
