Dear Attorney General Mr. Chris Koster and Ms. Jodi Lehman;

Your letter dated August 12, 2009 indicates you sent a consumer complaint No. CF-2009-16232 to me.

<http://www.medicalsupplychain.com/pdf/Koster%20Office%20Letter.pdf>

Will you please check your mail logs and emails because I have no record of receiving any complaint from your office regarding Mr. Michael Stapleton. If I recall correctly, I believe Mr. Stapleton is a merchant in Texas who sells PPM templates and contacted me regarding a mix up over a non-recognizable credit card billing dispute?

Since when is my Missouri Attorney General more concerned about enforcing a billing dispute from a merchant in Texas than he is about protecting the citizens of Missouri from the medical supply cartel Novation LLC and General Electric or the countless frauds committed by legal firms in Federal and State courts.

Mr. Koster, is your office acting as an extension to the ongoing RICO enterprise in Kansas City, http://www.democraticunderground.com/discuss/duboard.php?az=view_all&address=224x3652 which I have been fighting for 8 years to access healthcare markets?

If you are, then you should resign immediately before any more Missourians die due to your lack of enforcing Missouri laws.

The single most obvious reason thousands of Missourians have lost their healthcare benefits is due to your refusal to help prosecute the following cases against the Novation LLC and General Electric cartels.

Samuel Lipari v. Novation 0816-04217 (mo state)

Samuel Lipari v. GE Company 07-0849 (mo federal KC)

If you were really interested in protecting consumers in Missouri you would start with healthcare and prosecute the RICO enterprises of Novation LLC and General Electric rather than attempting to shake down a law abiding citizen fighting for healthcare reform.

By the way Mr. Koster, what exactly have you accomplished in your efforts to reform healthcare for Missourians?
